

# How to Write a Book

Lori Hatcher

1. Find your big idea.
2. Study your genre.
3. Create an outline.
4. Start strong.
5. Focus on substance.
6. Write with your reader in mind.
7. Set word count goals.
8. Establish a healthy routine.
9. Set up dedicated and productive writing space.
10. Use writing software.
11. Keep yourself motivated.
12. Take setbacks as they come.
13. Allow time for the manuscript to sit before you do a final edit.
14. Get tons of feedback.
15. Pitch your book to an agent or publisher or self-publish your book.
